

A classic Christmas show at Hengist Field Care Home

On Monday 15 December, staff and residents at Hengist Field welcomed the singer Jasmin into the Home to entertain the residents with her Classic Christmas Show.

Jasmin was accompanied by two elves (our Recreation and Well-Being Coordinators Sharon and Mihaela!) – *Prickle Pants and Twinkle Toes*.

We chose residents to be the bell ringers, reindeer and Father Christmas for the show. Our ladies and gents enjoyed the show (and taking part) and had a little dance at the end.
