

## A day of music and fun at Hengist Field Care Home

Friday 17 March was packed with fun at Hengist Field Care Home as we celebrated St Patrick's Day, Fruity Friday (as part of Nutrition and Hydration Week) and Red Nose Day all in one!

We also welcomed **entertainer Rob. T** who came to sing for us, so there was plenty going on!

Such a wonderful day – non-stop laughter with all the **hats, head boppers and red noses** on display.

We enjoyed a real party atmosphere as Rob sang a great selection of songs which got everyone going and we came around with our **drinks trolley** filled with everyone's favourite tippie, which always goes down very well with our ladies and gents.

*A fantastic afternoon – thank you for a great time Rob!*
