

## A day of music and laughter at Hengist Field Care Home

**What a fantastic day we had on Sunday 17 March, celebrating St Patrick's Day, Red Nose Day and Comic Relief Day all in one here at Hengist Field Care Home!**

We had **tipples** out to celebrate St. Patrick's Day as well as **funny dress-up props** for our **photoshoots**. We had some **fantastic Irish music** playing and our residents shared their stories of visiting Ireland.

To finish off the day we welcomed **Rob T in the afternoon**, who brought a lively atmosphere as he sang a **variety of songs and played his ukulele**. He's such a firm favourite with our residents and we always love seeing him.

There was so much fun and laughter in our Home – *another proper jolly day!*
