

A happy Halloween at Hengist Field Care Home

We enjoyed a fantastic afternoon here at Hengist Field Care Home on Monday 31 October, when we hosted our Halloween party which went down spookily well!

We had **spooky music** playing in the background, including 'The Monster Mash', while we all shared scary stories around the room.

It was a great atmosphere with **everyone dressed in witches hats and Halloween outfits**. We had a great singalong while shaking or playing musical instruments and tucked into a very **tasty buffet**.

We also did **Trick or Treat** – a yummy chocolate or a scary trick*funnily enough, everyone seemed to choose a treat!* Happy Halloween!

Halloween party fun!
