

A nod to Bonnie Scotland at Hengist Field Care Home

After the success of our 'Around the World with Nellsar Cruises' adventures, we're continuing on our armchair travels a little closer to home here at Hengist Field Care Home - with some virtual camping fun around the UK over the next few months.

First stop, **Scotland**, where our residents enjoyed some wonderful Scottish **music and dancing** to get them in the 'Carry on Camping' spirit! We also tested our knowledge of Scotland with some **quiz** questions too.

And don't we all look the part – what Bonnie Scots we make!
