

Arts and crafts festival preparations at Hengist Field Care Home

We held a lovely afternoon of arts and crafts here at Hengist Field Care Home on Monday 8 August.

There were lots of smiles, concentration and group conversations as we got **creative**.

We had **soothing music** playing in the background too, with lots of giggles and reminiscence going on.

Our residents chose paint colours to decorate cardboard cut outs and put their own touches on their creations – all ready for our **'Big Festival Event' on Friday 2 September**, which we can't wait for.

We really do have some fantastic artists in our midst!
