

## Baby love at Hengist Field Care Home

**We would all like to wish our Nurse Saranya at Hengist Field Care Home lots of love and luck as she starts her maternity leave.**

Saranya's bundle of joy is due this month and we are all excited for her. We presented her with some flowers and a card to wish her all the best.

She can now put her feet up and enjoy resting and nesting until her bubba arrives.

*We'll look forward to seeing her and meeting her new arrival soon.*
