

Baking for National Biscuit Day at Hengist Field Care Home

As it was National Biscuit day on Monday 29 May, our Recreation and Well-Being Team made some shortbread biscuits and chocolate chips cookies with our residents, using different shaped cutters.

They were then baked and was ready to eat; some were crunchy and some were soft in the middle, and all ready just in time to be enjoyed with afternoon tea.

All hands on deck...

They were so tasty and yummy!
