

## Beautiful blankets and celebrating April at Hengist Field Care Home

## Donation of blankets

We'd like to say a huge 'Thank you' to Jackie and Kevin Jones, for another generous donation of beautifully hand made crocheted blankets for our residents at Hengist Field Care Home.

Hand crafted by Jackie, they have such **beautiful colours and designs** and our residents love using them across their knees or on their beds.

*What a wonderful gesture – thank you!*

## Celebrating April

Our **April Edition of the Sparkle magazine** is packed full of fun facts and trivia to keep everyone stimulated and entertained.

This latest issue includes interesting people linked to the month of April, April nature notes, reminiscence pages, word searches, colouring, colour by numbers, 'find the hidden objects' games and an 'around the country' section.

*Our residents love all these fun things to read and do!*

## Baby love

The reactions and smiles from our lovely resident **Beverley** recently, when she was holding her **doll**, were just beautiful to see.

Beverly was so thrilled and loved holding doll – *her expressions say it all!*

Cuddle time!
