

## Beautiful blooms for Pat at Hengist Field Care Home

Our lovely resident Pat received a gorgeous basket of white, yellow and purple flowers from her family on Wednesday 3 June here at Hengist Field Care Home.

***They are thinking about her so much and their card read;***

*"Missing you lots. Cannot wait to come and see you! Love Dave, Michelle, Nick and Susan xxxx"*

It's beautiful gestures like these that have really kept our residents' spirits going throughout lockdown.

*We're thrilled you have such lovely fresh blooms to enjoy in your room Pat.*
