

## Beer tasting and baking sweet treats at Hengist Field Care Home

### Enjoying a tipple

Our ladies and gents had the opportunity to tickle their tastebuds at Hengist Field Care Home on Wednesday 19 January with a selection of different ales and beers.

Some were enjoyed very much (*...and some, not so much!*) and their faces said it all!

Not so keen on this one!!

Our residents said they had fun and there was definitely lots of giggles and fun to be seen and heard around our Home. David and Mary were two of our most adventurous residents and had a tippie or two of what was on offer.

## Tasty treats

Our residents also enjoyed making **apple pies and jam tarts** recently. We had music on and everyone was singing away as they worked – a great time was had by all.

*The sweet treats turned out beautifully and tasted yummy!*
