

Betty at Hengist Field Care Home receives a thank you gift for her creativity

On Friday 7 March we made a special presentation to one of our lovely ladies, Betty, who makes beautiful cards here at Hengist Field Care Home.

Birthdays, weddings, new baby and more – **Betty will happily make and design a card for any occasion** and she has a box of her handmade cards for sale in our reception at **Hengist Field**.

Betty had sent some of her cards to one of our other Nellsar homes, **Woodstock**, so others could enjoy them and her creativity. To say thank you from Woodstock, they **sent Betty a large box of Milk Tray** (...*'All because the lady loves Milk Tray!'*).

Thank you to our friends at Woodstock – Betty was delighted with her treat!
