

Bingo and baking at Hengist Field Care Home

Our residents enjoyed baking jam tarts this week at Hengist Field Care Home. Lots of concentration was required when it came to rolling the pastry and filling the tarts with jam. We were very pleased with the final batch and they tasted delicious!

We also ran a musical bingo session, which included some good old karaoke fun! We all got into the spirit of it and really enjoyed the lively music - there were smiles all around as we played bingo. A great time was had by all.
