

## Birthday celebrations and enjoying the sun at Hengist Field Care Home

**We've had double birthday celebrations this week at Hengist Field Care Home!**

Our birthday ladies were **Denise** who celebrated her birthday on Tuesday 19 May and **Pat** who celebrated her birthday today. Many happy returns to them both - we are so pleased the sun has shone for them!

And talking of the sun, our residents have been out in our **garden** enjoying the blue skies! We took our **refreshment trolley** outside for everyone to enjoy fresh strawberries, ice lollies and punch. *Delicious!*
