

## Birthday celebrations and visits at Hengist Field Care Home

### Many happy returns

We all wished our lovely resident **Mary Habberley** here at Hengist Field Care Home a happy birthday on Thursday 2 July. She was delighted to receive a visit from her close friend June, along with a stunning cake and some beautiful bunches of flowers.

### Family visits

Our resident **Edward Marshall** received a visit from his son a few days ago, and our resident **Kath Stapleton** had a visit from her daughter **Hilary** today which made her day. How lovely it is to reunite our residents with their family and friends after being locked-down so long!
