

## Birthday celebrations at Hengist Field Care Home

We wished two of our Hengist Field Care Home residents 'Many happy returns of the day' recently.

**Hazel** celebrated her 84th birthday on Friday 29 December and **David** had fun celebrating turning 75 on Saturday 6 January.

Both Hazel and David loved their **birthday cakes**, and both had a wonderful day celebrating.

David tucked into a slice of his cake for elevenses, and was then taken out by his lovely wife Ellie for a little shopping and a spot of lunch.
