

Birthday celebrations for Christine at Hengist Field Care Home

We wished our lovely Christine a very happy 77th birthday last week here at Hengist Field Care Home.

Christine always has such a lovely smile and it was even bigger when our **festive elves** visited her to decorate her room with banners, sing 'Happy birthday!' and present her with her cards and gifts!

Christine was so happy when her daughter Linda and granddaughter visited to celebrate with her. They brought many more gifts, balloons and lots of gorgeous flowers.

Many happy returns Christine!
