

## Birthday celebrations for Mary at Hengist Field Care Home

**Our birthday girl Mary turned '22' on Friday 2 April here at Hengist Field Care Home (*well, that's what she told us!*).**

She had a lovely **visit** from her son Steve and daughter-in-law Joan, which she really enjoyed and she was delighted with her **scrumptious birthday cake**, complete with chocolate buttons!

Mary said she had a lovely day and felt so special and loved, which was wonderful to hear.

*Many happy returns!*
