

## Birthday surprises at Hengist Field Care Home

### Birthday delivery...

Here at Hengist Field Care Home it was our resident David's wife's birthday on Thursday 22 April, so he decided to surprise her!

Ellie had a **wonderful birthday surprise** when David turned up with **flowers and chocolates** at their home. As you can image, it was a very emotional birthday treat for Ellie and it was lovely to see such a strong love between the couple.

*We hope you had a super day Ellie!*

### Big boss's birthday!

The birthday celebrations continued on Friday 23 April when our wonderful **Manager Neli turned 21 again!**

We made sure she had a lovely day, with gifts, a buffet and a yummy cake!

We all appreciate her so much – *we hope you had a super day Neli!*
