

Birthday wishes for Beverley at Hengist Field Care Home

On Monday 10 October we wished our gorgeous Bev a very happy 70th birthday at Hengist Field Care Home.

We decorated her room with **celebration banners**, sang 'Happy birthday' to her and presented her with a **card** from all her friends at Hengist Field.

Bev was so pleased with her **cake** as it was her favourite with chocolate and strawberries – she pinched a strawberry off the top as soon as we presented it to her!

She received some wonderful **presents and balloons** from her family, which she loved. Her smiles say it all.

Many happy returns Bev!
