

## Birthday wishes for Daphne at Hengist Field Care Home

**We celebrated our new resident Daphne's birthday at the end of last week here at Hengist Field Care Home**

Daphne's husband Peter lives in our Rowena Unit, so we walked her down to see him in the afternoon and they had a lovely time together.

Peter bought his wife a card and gorgeous box of **chocolates** for her birthday, and we presented her with a wonderful **celebration cake**, decorated with cream and chocolates.

*Happy birthday Daphne, we're so pleased you enjoyed your special day.*
