

## Birthday wishes for Hazel at Hengist Field Care Home

**We wished our lovely, bubbly Hazel a very happy 78th birthday on Tuesday 5 March here at Hengist Field Care Home.**

She had a wonderful day with **visits from her family, parcels and flower bouquets** arriving. Her bedroom was decorated with bunting, banners and balloons too!

Our Kitchen Assistant Trudy made her a **tempting red velvet cake**; Hazel thought it was gorgeous and said it tasted just as good as it looked. She kindly shared it with other residents and family as everyone celebrated her special day with her.

*Many happy returns Hazel!*
