

Birthday wishes for Jackie at Hengist Field Care Home

On Thursday 21 September our lovely Jackie celebrated her 71st birthday at Hengist Field Care Home.

We decorated our cherry lounge with **banners and balloons** and our Chef made a small buffet and a **beautiful birthday cake**, with edible flowers on, which Jackie thought was fantastic.

A few of Jackie's family came to celebrate with her as we had **Scott Elvis** singing at our Home on the day; he sang 'Happy birthday' to Jackie and everyone joined in.

Our birthday girl was presented with cards and a gorgeous **bouquet of flowers** by our Home Manager Neli.

She had a wonderful day and it was certainly a birthday to remember, being sung to by Elvis!
