

## Birthday wishes for Marion at Hengist Field Care Home

Our lovely resident Marion celebrated her 21st (*her words!*) birthday on Thursday 20 May at Hengist Field Care Home – it was actually her 92nd birthday!

Our Recreation and Well-Being staff started her day by delivering her **cards**, **decorating her room with banners** and singing '*Happy Birthday!*'

Marion had a wonderful **visit from her son** and they happily posed for a photograph to mark the occasion. Our fantastic kitchen staff supplied a special **birthday cake** to add to the fun of the day.

*Many happy returns Marion!*
