

Biscuit love at Hengist Field Care Home

We love a baking session at Hengist Field Care Home and on Thursday 10 February our lovely Chef made cookie dough for our residents to mould into love heart shaped biscuits with Valentine's Day approaching.

With romantic **love songs** playing in the background, there was a lot of love and thought going into these biscuits!

Our cookies were baked straight away, ready for our ladies and gents to eat with their **afternoon tea**.

Everyone thoroughly enjoyed the experience of bringing their creative skills into baking at our Home.
