

Carers Week at Hengist Field Care Home

On Friday 11 June we celebrated Carers Week with a BBQ, live music and dancing at Hengist Field Care Home, to say thank you to all our wonderful Care staff.

We decorated our **Home** with **balloons** and '**thank you**' **banners** and our staff team enjoyed taking photos with our **selfie photo frame**.

All our staff and residents were encouraged to join in the fun and we were delighted to welcome the **wonderful Fred Clark**, who entertained us all with his fantastic music, outside in the sunshine.

A wonderful day of celebration, enjoyed by everyone.

We all enjoyed our garden party!
