

## Celebrating 10 years service at Hengist Field Care Home

### Congratulations Debra, Lita and Angie

**A huge congratulations to our long service ladies at Hengist Field Care Home. On Tuesday 28 February our ladies Debra, Lita and Angie celebrated a massive milestone of 10 years working for Nellsar – they have been part of the Hengist Field family for a decade!**

We all gathered together and our Home Manager Neli thanked Debra, Lita and Angie all for their hard work, dedication and long service. Neli presented the ladies with flowers, vouchers, chocolates and a bottle of bubbly.

Our Kitchen Team made some gorgeous cakes and drinks for staff and residents so everyone could congratulate the ladies and join in the group conversations.

***"Well done and congratulations ladies! Here's to the next 10 years!"***
