

Celebrating Jackie at Hengist Field Care Home

Thank you Jackie

On Wednesday 29 June, we held a special presentation at Hengist Field Care Home for our Activities Team Lead – Jackie – in recognition of her having worked for the Home for 10 years.

Jackie puts all her efforts into making our residents happy every day, making sure they have a range of social and leisure activities to enjoy, tailored to their needs.

Home Manager Neli presented Jackie with a bottle of gin, flowers and vouchers as a special thanks for her loyal service.

Well done Jackie! Here's to the next 10 years!

The Hengist Field Team celebrated Jackie's 10-year milestone with her.
