

## Chinese Dragon dancing and banquet at Hengist Field Care Home

Last week our residents and staff at Hengist Field Care Home took part in some fun Chinese New Year celebrations.

Our **Recreation & Wellbeing** ladies performed a very vibrant Chinese Dragon Dance which our residents loved and we laid on a special banquet, so our ladies and gents could sample some delicious Chinese nibbles.

We were delighted to award **Mihaela, a member of our Recreation & Wellbeing Team**, with an '**Employee of the Month Award**' for all her hard work and dedication. Many congratulations Mihaela!

### Valentine's Tea Dance

Don't forget to come and join us in our **Orangery this Thursday 14 February from 2:30pm**, for our special **Valentine's Tea Dance** - we look forward to seeing you!
