

Chinese New Year with food tasting at Hengist Field Care Home

Here at Hengist Field Care Home we really enjoyed celebrating Chinese New Year - the year of the Tiger.

Our Recreation and Well-Being Team had a fun time going around visiting everyone with their **decorated trolley**.

They had **Chinese music playing** and Chinese-themed new year **props**, including hats, masks and Chinese dragons, which brought lots of smiles and laughs. Even our Maintenance Men joined in the occasion!

Everyone enjoyed a wonderful afternoon of Chinese food tasting; a delicious assortment of Chinese cuisine including:

*Sweet n sour chicken
Egg fried rice
Sesame prawn toast
Sweet n sour wontons
Aromatic shredded duck
Tempura king prawns
Egg noodles and chow main
Spring rolls, hoisin duck rolls and sweet chilli dip*

And of course **fortune cookies**, which were enjoyed by everyone including our staff.

Happy Chinese New Year everyone!
