

Chocolate biscuit tasting at Hengist Field Care Home

Residents at Hengist Field Care Home enjoyed a lovely afternoon of tasting McVities chocolate biscuits last week.

The limited edition flavours included *Marmalade on Toast*, *Gingerbread*, *Cherry Bakewell*, *Christmas Pudding* and *Luscious Blood Orange*; they went down very well indeed!

The biscuits smelled and tasted delicious; the Cherry Bakewell and Christmas Pudding were our firm favourites and we washed them down with a lovely cuppa.
