

Christmas carols and a festive theatre performance at Hengist Field Care Home

Milstead and Frinsted Primary School carols

On Monday 11 December, a group of children from Milstead and Frinsted Primary School came to sing Christmas carols for us and what a wonderful start to our morning it was here at Hengist Field Care Home!

Our residents simply loved it and all of the children interacted with our ladies and gents, having **lovely conversations, sharing stories** and talking about the creative **Hand Christmas Tree** that we made together.

Thank you again to Karen, a teacher at the school, for all her help and support to arrange such **wonderful times for young and old to come together**.

Streaming 'A Christmas Carol'

Following the festive theme, on Monday afternoon we watched a streaming of Charles Dickens' '*A Christmas Carol*' on the television, which had been **recorded at The Old Vic Theatre in London**.

It was another lovely afternoon of festive spirits, **mulled wine and mince pies**, which was thoroughly enjoyed by all.
