

Christmas Day celebrations at Hengist Field Care Home

A very merry Christmas!

Father Christmas arrived at Hengist Field Care Home on Christmas Day to help give out all the Christmas presents.

Everyone was so pleased with their **gifts**; we had a mixture of presents, from socks, chocolates and shower gel, to body sprays, scented soaps and more!

It was wonderful to see our residents' families visiting their loved ones and sharing gifts, with so many smiling happy faces.

Christmas Day and Boxing Day lunches

It was lovely to have **families** in to our Home for Christmas Day and Boxing Day lunch, so they could be with their loved ones at such a special time of the year.

We served the **festive meals in our Orangery lounge**, which was cosy and full of Christmas cheer, decorations and Christmas music playing softly in the background.

Everyone sent their **compliments to our Chefs** for such gorgeous food and said what a great time they had all had – plenty of everything, full to bursting and that they couldn't have asked for anything more. *Fantastic!*
