

Christmas Day presents at Hengist Field Care Home

What an absolute joy it was to hand out gifts from Nellsar to all our wonderful Hengist Field Care Home residents on Christmas Day!

We also had Christmas **presents donated from The Oasis Academy**, on the Isle of Sheppey, for all of our ladies and gents which was so generous and thoughtful. *Huge thank you to them for thinking of us once again.*

It was such a lovely day at our Home, when we dressed up, had Christmas music playing and **families were visiting their loved ones.**

Our **Christmas lunch was amazing** and received many compliments – *well done and thank you to our Catering team.*

What a wonderful day!
