

Christmas Jumper Day at Hengist Field Care Home

Last week we all enjoyed a jolly Christmas Jumper Day here at Hengist Field Care Home and everyone got 'that Christmassy feeling' in our Home!

It was lovely to see lots of **smiling faces** and being part of the festive fun – we loved taking photos of everyone in festive hats and reindeer antlers!

Our staff, residents and relatives, including Chris, the daughter of our lovely resident Iris, joined in the Christmas fun.

We hope everyone had a happy Christmas Jumper Day!
