

## Christmas jumper fashion show at Hengist Field Care Home

On Friday 8 December we held our team members' Christmas jumper competition in the afternoon here at Hengist Field Care Home.

We gathered everyone up to perform a **cat walk fashion show** for our lovely residents so they could admire all the jumpers and pick their favourite.

*The **winner was our lovely Senior Carer Lily**, who has been wearing different Christmas tops since the beginning of December! Lily was very happy to win and was very pleased with her **prize of a bottle of Smirnoff vodka**.*

*Well Done Lily!*
