

Classic tunes with Kevin Walsh at Hengist Field Care Home

On Monday 25 November we welcomed the lovely singer, Kevin Walsh, to Hengist Field Care Home.

Kevin came in to perform a medley of 50s, 60s, 70s and country music for our residents, which went down a treat!

A professional entertainer for over 30 years, Kevin had a wonderful voice and he was very interactive with our ladies and gents, ensuring they felt part of his performance.

A super time was had by everyone - *thank you for coming Kevin!*
