

Cookery Club sweet treats at Hengist Field Care Home

During our Hengist Field Care Home Cookery Club on Thursday 4 January our residents and team made some amazing American sweet treats including pop cakes, doughnuts and waffles, for everyone to enjoy.

What a yummy afternoon! Everyone loved decorated their goodies with **melted chocolate**, **sprinkles** and **chocolate drops**.

The aroma of the sweet treats cooking was mouthwatering and they tasted scrumptious.

What a great way to start 2024!
