

## Cookery Club tasty treats at Hengist Field Care Home

This week we had a fun afternoon during our Cookery Club making cheese and chocolate straws and swirls here at Hengist Field Care Home.

While we were busy **twisting, swirling, spreading and sprinkling** there was plenty of chatter, laughter, concentration and reminiscence going on!

Once they were all prepared, they were baked and then **enjoyed warm with a nice cuppa**.

*Mmmmm, very tasty!*
