

## Creating special Christmas cards at Hengist Field Care Home

Over the past month, all of our lovely residents at Hengist Field Care Home have been designing and making their own Christmas cards, to send to their loved ones.

We took some fabulous pictures with all our residents wearing **Christmas hats**, to put inside their cards.

Hopefully all our families and loved ones will get a lovely surprise when they receive their cards.

*It's lovely to be feeling festive at Hengist Field!*
