

Dexter the dog visits Hengist Field Care Home

Our furry friend

In honour of this years's Crufts Dog Show (10-13 March), we asked our colleague Teresa at Hengist Field Care Home to bring in her dog Dexter.

Dexter has now been made **Hengist Field's Pet Therapy Dog**. He did a wonderful job of making all of our lovely residents smile. He was so gentle and let everyone pat and stroke him.

Our residents absolutely loved Dexter and can't wait to see him again.

Thank you Dexter!
