

Double birthday celebrations at Hengist Field Care Home

We've enjoyed two resident birthdays over the weekend here at Hengist Field Care Home.

The first was **Hilary C**, who received a beautiful bouquet of flowers and had a lovely visit from her husband and son.

It was then **Marie C's** turn to celebrate. She was presented with a gorgeous arrangement of white orchids and enjoyed a visit from her son. She was also delighted to receive a scrumptious strawberry sponge birthday cake, which went down a treat!

Many happy returns ladies!
