

Easter Cookery Club at Hengist Field Care Home

We decided to make some Easter cookies during our Cookery Club here at Hengist Field Care Home on Thursday 6 April.

Our residents made **plain**, **chocolate chip** and **fruit cookies**; great fun to make with all the different shaped cutters, including round and egg shaped, rabbit shaped and even gingerbread men shaped!

It was lovely to hear the group **conversation and laughter** and once the cookies had been baked, we all enjoyed them with a nice cuppa. *Delicious!*
