

## Easter crafts and cookies at Hengist Field Care Home

We've been having some fun days here at Hengist Field Care Home making our Easter crafts and table decorations to have around our Home.

We have also made some **Easter cookies**, some fruit ones and some chocolate chip.

Our residents had great fun making all their Easter items, especially taste testing the Easter cookies which were served from our trollies with afternoon tea. They were delicious and enjoyed by all our ladies and gents.

*Happy Easter everyone!*
