

En route to Italy at Hengist Field Care Home

Last week we thought we'd get our residents in the mood for our upcoming trip to Italy here at Hengist Field Care Home.

Our ladies and gents enjoyed **painting pasta** in Italian flag colours, which they then threaded together to create **themed bracelets** to wear. They also made **boarding passes** and **flags** for our upcoming Italian cruise, whilst enjoying some **classic Italian tunes**.

So now we're all ship shape! We've loved travelling **around the world with Nellsar Cruises** and can't wait to dock at Italian shores this week!
