

Fabulous Fundraising at Hengist Field Care Home

We were very pleased to welcome Father Robert from St Peter and St Paul Church in Borden to Hengist Field Care Home on Friday 30 November.

We presented him with a cheque for the money we raised in August at our Summer BBQ and Fun Day, which we held for the Church to help raise funds towards the renovation of their stained glass window. The total came to a whopping **£509.10** which we were delighted with!

On Saturday 2 December, we held our Christmas Fair and raised just over **£275** which will go towards our Residents Fund. Thank you to everyone who came to enjoy the fun.
