

Farewell to Nurse Laura at Hengist Field Care Home

We wished our lovely Nurse Laura a very fond farewell last week as she leaves Hengist Field Care Home to start a new job in her home town in Romania.

We presented her with lots of **flowers** and **gifts**, and enjoyed taking **photos** with her, to give her a good send off – she will be very much missed by all our staff and management.

Good luck Laura, we wish you well with your new adventure!
