

## Fathers Day pampering and treats at Hengist Field Care Home

At Hengist Field Care Home on Sunday 20 June, we wanted to pamper our lovely male residents and make them feel special for Father's Day.

Some of our gents enjoyed a **haircut and shave**, and were made to smell gorgeous!

They had fun having their picture taken with our **Father's Day inflatable frame**.

We were also blessed once again from **Net Church** who came to celebrate Father's Day with us; they lovingly call it '*Thanking the men day*'. All our gents were given a **card, gift bag containing aftershave and a plant** – they were all very thankful for their gifts and it made the day special for each and every one of them.

*Happy Father's Day to all!*
