

Festive crafts and music at Hengist Field Care Home

We've had another busy week here at Hengist Field Care Home.

To get us really in the festive spirit, we've been making Christmas Yule logs. We have also crafted our own Christmas post boxes and written lots of Christmas cards to post!

Our ladies enjoyed a session of flower arranging; their floral arrangements look beautiful in our **Home** and it's always wonderful to see their work on display.

A highlight was a visit from singer Fred Clark, who delighted our residents with his fantastic repertoire of songs. He was brilliant with our ladies and gentlemen and held hands with many of them as he sang.
