

## Festive drinks and a jolly elf at Hengist Field Care Home

On Christmas Eve here at Hengist Field Care Home, we prepared a special hot chocolate trolley, packed with festive drinks and toppings.

We served **Baileys, marshmallows, Tia Maria, sprinkles – and squirty cream**, which certainly went down a treat, especially with Baileys!

One of our lovely residents dressed up as an **elf** to wish everyone a Merry Christmas and didn't she look great! *Well done Jacky, Santa would be proud!*
